PRICE LIST 2018

Kids/families/maternity: on location - a local park, a London area of interest, or your home and/or garden.

30 mins of photography	6 edited digital photos	£75.00
60 minutes of photography	12 edited digital photos	£135.00
120 minutes of photography	25 edited digital photos	£200.00

Newborn/Baby session **15 edited digital photos** **£175.00**

For babies up to one year of age. Flexible session time up to 2 hours, to ensure feeding/nappy changes do not use up all the time. The actual photography normally takes 45-60 mins. Baby sessions are available in your home, studio or outdoors.

Maternity session **12 edited digital photos** **£160.00**

Up to 1.5 hr photo session in your home, outdoors or in studio.

Studio portraits **5 edited digital photos** **£85.00**

Up to 45 minutes of photography. Includes basic set-up with black, white or grey backdrop. *Longer sessions and group/family sessions available upon request.*

Fine art portraits **1 edited digital photo + 1 A3 print** **£185.00**

Either in studio or outdoors. This kind of session is slow paced and more elaborate in terms of backdrops, positioning and lighting and is only suitable for children who are ok at sitting still for a little while. The images will be edited to a high standard and printed on ultra matt art paper.

Floral bed portraits **1 edited digital photo + 1 A3 print** **£345.00**

Includes fresh flowers. This is a fully bespoke session and the flowers/colours used can be chosen by the client.

NB these portraits demands the model to lie still on the floor for at least 30 minutes and is thus not suitable for children under the age of 7.

Floral backdrop portraits **1 edited digital photo + A3 print** **£275.00**

Includes a custom made floral backdrop made from fresh flowers.

The same backdrop can be used for several portraits, each additional portrait is £40 (incl A3 print)

Other creative portrait ideas can be discussed by email or phone.

Prints and photo books are available - please ask for a price list.

Minimum booking or travel costs may be applied.

Additional edited digital photos £7.95 each (B&W copies of already edited images are £3.25 each)
